

Offer of Internship – HTIC, IIT Madras (Jan 2026 Joining) Inbox x

≡ AI Overview

Dear Candidate,

We are pleased to inform you that you have been selected for a four-month internship, commencing on January 15th, 2026.

Based on your performance during the internship, this position may be converted into a full-time role.

You will be reporting to the Imaging Team at HTIC, IIT Madras and will be appointed as a Project Intern for the four-month period.

Your stipend will follow IIT Madras norms, with a monthly consolidated amount of ₹12,000 during the internship.

Upon successful conversion to full-time employment, the compensation will increase to ₹18,000 per month.

This email serves as your formal internship offer. We look forward to welcoming you to our team.
